“ *To all of the Mensching family my deepest condolences. I knew Floyd mostly during my childhood. So many memories of him. For many years he would stop by my moms just to say hello and see how everyone was. It could be year had passed since you saw him but he made you feel like you just saw him recently. He was always genuinely happy to see you and you could feel it, you felt his true caring and love for you. It was always wonderful to see him. I remember the year he sent out Christmas cards in July to remind us to keep the spirit of Christmas in our hearts all year long. He had a heart of gold. He was a special person in my life ,I was blessed to have known him.*  
*Sincerest condolences,*

“ To Sharon & all of the Mensching family my heart aches with all of you. Far to many wild & great memories to print. Wow, The lives we shared and the times we had !! We earned our "bachelor" degrees living together & growing with so many friends 'till we ultimately split up to live with & marry the loves of our lives. You grew up a ton as a Marine in Viet Nam, and fresh out of there we hitched up got a "crib" together. You showed me a few things about growing up too( among other things !). I'm proud to have introduced you to Sharon & thrilled you were able to spend your lives & grow a family together. You know, that I know, that you know, I LOVE YOU BROTHER ! I'll see you on the other side. Well have another party.
