“ *Tio you are truly missed and loved. I thank you for all the fun times we had and all the times you were there to help me and give me advice. You are gone but not forgotten still with us in spirit, heart, and mind. We all have our crazy moments and I applaud you for changing your life for the better. Though I'm sorry and feel like a jerk and a tease for always doing it to you, I wish there was another family gathering just to see you laugh and smile as I offer you a drink just to say no thanks and that I should take it easy. I love you and miss you tio r.i.p*

Solo tengo Buenos recuerdos de Francisco, fuimos a la primaria juntos en mismo salón, luego la secundaria. Pero el mejor recuerdo que tengo de Francisco es el amor por sus hijas sus nietos y el amor a Dios. También se que le encantaba estar activo y ayudar en los grupos del AA. Nunca olvidare el día en que nos volvimos a ver después de mucho tiempo , fue en la iglesia 🏛️ y Cómo amor hablaba de sus hijas y nietas. Descansa en paz amigo de la infancia. Se te extrañará en la tierra pero Dios te tiene en mejor lugar ahora. RIP my friend

“ *I was shocked to learn that we had lost Francisco. A good man who was called home too early if you ask anyone in his family or any of his many friends. May the family receive peace through their many memories. Rest in peace, my friend.*

“ *It broke our hearts to lose you, but you never went alone, for part of us went with you, the day God took you home. There are no goodbyes between us because you'll always be with me. Rest easy Tio! I'll Love you forever. You didn't get the chance to drive my Benz. I'll never forget how you always joked and bugged me for the drive. I'm sure you're up there riding something even better through the gates of our dear lord, now living your best life. You will forever be missed yet always be with us*

“ *Papi, no se donde empezar, eras el primer hombre de mis ojos. Nunca se me va olvidar que llegabas del trabajo y me llevabas mis pasteles cada año para mi cumpleaños, y te brillaban tus ojos al verme y me decías " mi princesa". I'm always going to remember when I was your chicle & you took me everywhere with you. You made me the women I am today even though I fell off track & you didn't like it one bit..but just like you said, "it's never to late for anything" you made me love church & God & I loved singing for you to hear. Dad, I couldn't have asked for another better dad than you. You were the best even though you had your days. You were always so generous & humble no matter what..although you really didn't get to bond with my kids that much (tus nietos) el muy poquito tiempo que si lo hiciste te lo agradezco padre. Síguenos cuidando y guiando en buenos pasos papi..cuídame mucho a Frankie (tu nieto) ahora estás con el pueden jugar fútbol..TE AMO Y SIEMPRE TE VOY A AMAR PAPITO LINDO 💕💕*

I met Francisco since me and my Best Friend Irma were in highschool, he always treated me like a additional sister as if he didn't have enough sister's lol, he will do prank jokes, tease me make fun of me,scold me when we got home late lol, but all in respectfully ways like a big brother , I think he was the funny guy in the family always cheerful and nosey but only cause he always cared. He will be missed,

“Daddy,
I want to thank you from the bottom of my heart for always being there for me and I just want you to know that your guiding hands will remain with me forever and always on my shoulder. Your loss will always sting. You tried your best at everything that you did. And I can't forget when you said "Soy el mero mero" "Soy el más chingon". I just looked at you and said "yes". You were the best grandpa I could have ever asked for, for my baby Karina. And it hurts to know that her best "papa" is no longer here. She enjoyed you pops especially because you lightened up her day that you were here with us. You will be missed dearly.

"God grant me the serenity to accept the things I cannot change; courage to change the things I can; and wisdom to know the difference.
