“ I worked with Frank and the Sonic tool team in my days at Sundstrand in the 80s and 90s. Lots of good memories. I'll always remember him as "Father Frank"! I will be praying for the Sommer family as you grieve his loss in the days ahead.

“ Sommer Family (& Sonic Mfg. Team), please accept my sincere condolences; I am very sorry for your loss.

Frank was one of a kind and quite a character. I enjoyed very much the relationship myself and my firms had with him (and Sonic Tool). From the very first time I talked to him back in 2001 (as a then Jr. Buyer), he made me feel like the most important customer in the world. Even better, he then took actions based on his words and delivered on what he promised. Sometimes I would give him a call not even to talk about one of my parts or PO's, but about whatever – usually we talked about his family and how proud he was of them.

I am truly glad I got to meet him, some of the family, and the Sonic team in person a few years back on a trip through the Mid-West!

PS - He will be missed but I am sure he already has a new Boss Hoss up in Heaven and is enjoying the beautiful riding weather up there.
