“ Frank was a kind man and a true gentleman!. While I worked in the McMullen office for 14 yrs, Frank would stop in my office to share his fishing stories since he knew that I also fished and vise a versa. Frank was so generous and loved to shower the staff with tasty treats. I would also look forward to his Chicago Magazine that he would send out for the holidays. My sincere condolences to Teresa and family- Teresita Rosario (Terry) McMullen Staff

“ Frank, you will be missed! It was a pleasure working with you at the McMullen Office. When we would see Frank walking through the front doors, we knew to prepare ourselves for his wonderful greeting, "HELLO LADIES!" Frank made sure to stop and chit chat for a bit with us about fishing, asking what was new, while handing us a box of pastry cheese sticks! From assisting with his yearly calendars that he faithfully sent to his clients, to helping with his newest cell phone, it was my pleasure because I knew he was truly grateful. Thanks for the laughs, Frank. -Angie Roman (McMullen Staff)

“ My condolences to the family. Uncle Frank was a great man. If I needed someone to talk to or needed advice he was always a call away. He would always come over for coffee at my parents house and talk. Thanks for the wisdom and knowledge. You will be missed by all.

*I met Frank when I bought my first house in wildwood. That was a long way from where I grew up in Bridgeport. Frank was a Great Guy and fun to be around. He would stop over by the house and we'd sit on the deck and have great conversations. When we outgrew our house Frank suggested we take a look at a new development in Sauganash. We decided to buy a house in the development on Franks recommendation. I was sorry that I just found out this morning at church about Frank's passing. Please accept my condolences for your Husband, Father, Grandfather, and Great Grandfather. Frank was a Great Family Man who was very proud of all their accomplishments. May He Continue To Watch His Family From Above.
