“ *The extended Coll family extends our sincerest sympathies to the Minchk family on the loss of our beloved "Farmer Fred."*

As our neighbor for many years in Barrington, it was always the highlight of the day when Farmer Fred would meander over and share some of his pithy observations on life and living, especially with our four younger children

As the kids grew, the Minchk girls became our regular babysitters and a lifelong bond was established between the Minchk and Coll families.

We remember all the good times (good old fashion Iowa weddings) and the sad, when we lost Sally many years ago.

Our hearts and prayers go out to all of you guys!
