“ *I had the privilege to know Gary for two short years. Of course, Gary was a friend to all who met him. I wish that I could have met him earlier in my life. What I enjoyed most about Gary was his humor, warm nature, knowledge, and his love of Family. He loved talking about his grandkids, and his sons Drew and Reed. We will all miss you. May you rest in peace.*

“ It is with a heavy heart that I am here today writing thoughts about our dear friend Gary.

We met Gary when he was the coach of my son's soccer team, we immediately became friends and through out the years we have enjoyed so many good times together. He was the kind of person who lived his life to the fullest. I would think he left this earth with no regrets. So many people don't get a chance to follow their dreams but Gary did. From sailing his own boat to acting in plays, expressing his art through his many paintings. His passion for the Chicago Cubs that he enjoyed with his brothers, nephews and sons was so special to him. He was a devoted family man and a friend that would lend a helping hand to anyone. We will miss him but he will always be in our hearts. Every passing life leaves something beautiful behind, May beauty live on in your memories and help bring comfort to you Jackie, Drew and Reed. We will always be here for you all.

“ Gary Peterson was a family friend who I regarded with the utmost respect. Over the past several years, I had the pleasure of attending Gary's theatrical performances. He was always a joy to watch. His burly voice carried far, while his jovial smile absorbed anyone within eyeshot. Besides his talent for acting and artistry, I admired his charisma and affable nature. Recently, I was fortunate to have worked with Gary on the short film project, "Vaudeville Swindler". For years I had envisioned working with Gary on a film. And when he accepted the role of "Constable", I was elated to have him onboard! After I told him his character was nevertheless corruptible, Gary laughed and responded, "How come I always end up playing the bad cop!?"

The Vaudeville Swindler cast of 18 wish to send our blessings to the Peterson family. We are so thankful to have worked alongside such a beautiful person 😊.

“ We were friends with Gary and the Petersons for over 33 years. Our children were very saddened by this news of Gary's passing because he was such a part of their lives. Gary had a zest for life which included enjoying people and creating beauty in both art and theater. What a great artist I had for all the design work and equipment painting that I needed for my business. He was always ready to help and more importantly he did an amazing job. One year we were out of state and our water pipes broke. He bought the necessary parts and fixed the whole problem. We came home to everything back to normal. Thanks, Gary, for all the love and kindness you always gave.

“ Gary Peterson was a devoted Art Teacher and Coach. He gave of his time and talents to his students both in the classroom and the basketball court. Gary was held in high regard by his students and colleagues. The atmosphere in his classroom reflected how well he was regarded by those he taught. We have lost a very good man he will be missed. “ On February 16, our dear friend Gary Peterson passed away. We will always remember his generous spirit, talent, booming voice, and contagious laughter. Lulia and I are sending our love to Gary’s family during this difficult time. I had the honor of teaching and directing Gary in many shows and classes at Harper College. Rest in peace dear friend.

*Fear no more the heat o’ the sun,
Nor the furious winter’s rages;
Thou thy worldly task hast done,
Home art gone, a ta’en thy wages.

“ We were shocked and deeply saddened to hear of Gary's passing. We had the privilege of knowing and being allowed to share the stage with him in various theatrical productions, and his unbridled joy, warm welcoming nature, and commitment to the craft were inspiring and deeply appreciated. He will be sorely missed. Sending light and love and strength to his loved ones and all who will miss him. Godspeed, Gary.
