“ *He was a wonderful man. I would see him almost every day working out at Prairie Stone. I remember there was a car parked in handicap that did not have a sticker on it. I waited to confront the evil villain's and out walks out the Hockenberry's to there car. They had forgotten to put up the sticker. We had a good laugh when I told George we almost towed his car. We will miss him! I hope Vivian will soon be at the club with those long "Rockett Legs". Love Shelley Knapp*

“ What a great man your Dad must have been, Steve! You spoke of him with such love and respect. The way you describe your Mom, brothers and sister - I'd love to be an honorary Hockenberry! You are blessed to have such a great family. My prayer is that you draw strength from one another. I'm so sorry for your loss.

Steve,
We extend our deepest sympathy to you and Mom Hock and the entire Hockenberry family. When we lose a loved one here on earth, we gain an Angel in heaven that watches over us. I know that Dad Hock will be watching down and cheering with us when we cheer for the O's. RIP Dad Hock! Love you Steve!!!

“ Charles and I were deeply saddened to hear of Daddy Hockenberry's passing. Steve is a dear friend and we have always felt a fondness for his parents whom he always refers to as "mom and dad" when talking about them... not "my" mom and dad... just mom and dad. You can't help but love them too and feel like you know them personally. His favorite times are those spent in Chicago with family... And of course the annual OSU games with Dad was a always a highlight! I know that Daddy Hock lived a full life and was deeply loved. Steve, you and your family are in our prayers! We love you and send big hugs! May God comfort you and the family!

“ Viv,Eddie, Lori and Steve. My family is sending our love and prayers to each and everyone of you. Your father is and was a very passionate and loving person. As an Uncle he helped to teach me right from wrong. I will miss him just as much as my parents. God has a great angel now. He is watching over all of us and will continue guiding us.
