

## Mr. George W Klosowski of Carpentersville

June 28, 1946 - December 7, 2022

George Walter Klosowski , 76, of Carpentersville, Illinois, He was born on June 28, 1946 in Chicago, passed away peacefully in his home on December 7, 2022. He was preceded in death by his parents, Walter & Sylvia Klosowski, and his brother Norbert.

George was a loving husband of Linda (nee Carlino) of 54 years and a devoted and proud father of Kevin (Diane); Karen Hayes (Robert); and Laura Beth. An adoring grandfather, George was constantly amazed by the latest accomplishments of his five grandchildren: Nicole, Thomas, Tyler, Adrian and Clare. He was also survived by his younger brother Anthony (Della); step-mother Sylvia; caring cousins, and many nieces/nephews.

After graduating from the University of Illinois, he served the community as a dedicated pharmacist for forty-three years and was a member of several pharmacy organizations. It was his honor to participate in the 2022 U of I commencement ceremonies as a "Golden Grad". Following his 2012 retirement, he enjoyed gardening, home rehab, traveling and spending time with his family. He was thrilled when his children shared his love for these hobbies.

George fought a long and courageous battle against cancer, and never complained or sought pity. He was grateful for the medical care he received

from Illinois Cancer Specialists and University of Chicago Medical Center. His strong religious beliefs allowed him to find solace and accept his destiny, knowing that heavenly rewards awaited him.

“ I only recently met George, through a business deal. George and I had many long conversations about life. There was just something about George that was calming when we spoke. He had a love of life, an amazing outlook and also accepted what was to come. You will be missed.

“ George was a tremendous blessing to all who knew him. Circumstances kept us from getting to know each other as cousins until we connected in late adulthood over our shared love of his step-mom, my second Aunt Sylvia. George and Linda organized spectacular annual birthday parties for Sylvia. Another cherished memory is George visiting my dad, his Uncle Stanley, in a nursing home in 2017. George and my dad were so similar in their loving kindness, interests, personalities and lively sense of humor. George had the gift of making everyone feel loved and cherished. He was easy-going, always seeing the good in others and bringing out the best in them. He delighted in his precious wife, children and grandchildren, and was so proud and amazed by them. Best of all, George knew Jesus as his Lord and Savior. With love, Cousin Christine Sjogren

“Cousin George was a very sweet, gentle, kind, and caring person. I always loved being in his presence. He had a calming effect, that relaxed anxious me! George took excellent care of his step mother, our Aunt Sylvia! I remember that he was always working on her house, fixing everything that needed fixing. He made changes in the house to make it easier for Aunt Sylvia to get around. He made sure that everything she needed was accessible to her. He took her to church early on and did everything to meet all her needs. George was one of God’s special angels on earth “as it will be in heaven”.
