“ *I'm so sad to see you go Auntie Ger, my dad's twin sister. After you came to see him he was ready to go and passed the next day. What a beautiful thing it was to witness the special love between the two of you, really icons of a classic and historic era whose page is now turning. I cherish forever the loving memories of you, my dad, our families, and the values you stood for with such strength of Spirit. Much love and God's blessings forever...Jim Borsellino*

“ Geri was one of the hardest working women I have ever met. I'm sure she's running laps around everyone in heaven at this very moment. I was lucky to have known her. God bless you Geri, and the entire Trocchio family.
