“ Dear Mary Sue and Maile,

*I remember, Mary Sue, the first time I met your mom almost 50 years ago. She made herself so busy to try to make me comfortable. She was always very nice to me. She lived her life as she wanted. I wish I was geographically closer to help you right now, Mary Sue. I am thinking of both you and Maile. I know we'll continue our long talks on the phone and many future times together in person. Take care of yourself through this process.*

*Love you both!*

*Holly*
