“ *Dear Joe I'm sure you don't remember me, my name is Janet and I am one of the nurses with Alexian Brothers Home Health. I had talked with you a couple of times when I filled in during Tania's absence. Just wanted you to know that I always looked forward to my visits with your mom! She was a very sweet lady and I'm glad that she passed so peacefully. I hope that gives you some comfort. My condolences to you and your family. Janet*

“ Dear Joe, Lily and Cirlincione family, we are deeply saddened at Guiseppina's passing. There are so many memories we have of her over the years. When she was younger, I remember her great cooking and how generous she was in sharing her recipes. Every time I make her 'Guiseppina's Artichoke pasta salad', I will remember her.

As she got older, I remember the real effort she made to join us for birthdays and holidays, even when it was no longer easy for her due to her failing health. She loved to be surrounded by her family and hear what was going on in everyone's life.

But most of all, I will remember how much she loved you Joe. She reminded me of my own parents. They shared their unconditional love with us. You were her pride and joy. She was a mother who was always by your side, a real blessing.

So as she joins her beloved husband in heaven, I pray that she is at peace and smiling down on her beloved family.
