“ To *Tunir and Moulik*:

I am very sorry for your loss. I am grateful to have gotten acquainted with Rumki at Valorant for the little time that I did. She was the first individual from Valorant to interview me for a position on the team last fall, and I remember that what was meant to be a 30-minute job interview turned into more than an hour as we got to talking. I think we both enjoyed the conversation, that we both lost track of how much time had passed! She will be missed.
