“ *Others will remember your first name as "Harry" but I'll always think of you as SQDN Leading "Chief". You were the link between the squadron personnel office department and my photo department. Requests for odd titled reports were always clarified by you with requests as to required specifics. I learned later that that you were the person who signed off on my papers for promotion to Chief. Thank you again.*

Our many long talks during lunch at the Country Kitchen will be missed but not forgotten.

Fair Winds and Following Seas, Chief!

Wish we could be there but our prayers are with you. Jim and Marybeth Young
