“ Mark and I, along with another Rand McNally friend of ours, for quite a few years camped on the Deer Skin River in northern Wisconsin on opening day weekend of the trout fishing. This in the early 1970s. Sorry to say, I just learned of Sharon and Harry's death a few minutes ago, a day after Christmas when realized that we had not received a Christmas card from them, which sent me investigating on the internet. I have lived in Montana for the past 47 plus years. I hope the family made get this late condolence from us.
