“ *So honored to call Heidi my friend. I describe her to others as “the best person I know.” I aspire to be like her. At work, it was always so nice to work together, not least because people thought we resembled each other. Not a shift went by that someone-a co-worker or a parent of a baby-would call me Heidi. Heidi-you will be in my heart forever. My sincerest condolences to your family, and Levi.*

“ I met Heidi when her friend Linda invited her to attend a Loving Covers sewing session. We loved having Heidi join our Thursday sewing days when she wasn't working. As many have said she had a beautiful smile and a gentle soul. She will be missed and I feel blessed to have served together with her. My condolences to Heidi's family for the tremendous loss. May God give you peace in the midst of this tragic loss. And we look forward to seeing her again in the splendor of God. Blessings, Jan Frankini

“ My deepest sympathy to the Shor family in the loss of your beloved Heidi. I knew Heidi for many years, going back to the good old days when labor and delivery and nicu were just next to each other. We both worked the pm shift and I would often take babies to the admission nursery and Heidi would be there at times. We always took a few minutes to just talk. She really listened to people, she provided support and encouragement to anyone in need. She was always willing to help when help was needed- be it with work or in someone’s personal life. Just an amazingly kind and gentle woman. I have been heartbroken over her passing and I can’t even imagine how her family and closest friends are feeling. I lift you all up in prayer to our loving Heavenly Father and I know Heidi is resting in His arms❤️

“ Heidi you were the kindest and most gentle soul. I will forever hold that close to my heart. You did everything with such compassion, I'm every aspect of your life. I loved that you always were right beside me advocating for our palliative patients and wanting to improve anything we could for families. I am grateful you helped tend to my grieving heart when Coco died. And I'll cherish this picture of our boys together. Thank you for uniting me with my crazy fur baby 💙 I will miss you endlessly.

“ *What a beautiful soul you were. Thank you for all of your love and kindness. I am sorry we cannot continue our spirit sister friendship. I am sure you will be working from the other side. I will look for you here on earth as I know you will show up. Thank you for all your gifts. Thank you for all of our laughs and all of our cries. A true angel on earth. I will think of you the rest of my days. You will be greatly missed. I know you are with our Lord and Savior, resting in peace. I deeply loved you and I'm sorry this happened. Charlene*

“ I met Heidi 30 years ago when she started at Northwest Community Hospital. We worked in the NICU together. She was such a giving, loving, and gentle soul. She helped so many people and animals throughout her life Her love of God was ever present, Heidi gently guided me back to God, just by observing her drive to serve and assist others. Thank you Heidi. I know she is in God’s hands now, but she will be missed by all who knew her here on earth. I moved to Wisconsin 18 years ago, and have not seen Heidi in a long time, but she is present in our home to this day. She made a plaque for my new home. It’s over a doorway that I see every day. Again Heidi, thank you for sharing those words of blessing with my family.

“ I met Heidi through BSF. We have been friends for years, and were speaking regularly after she contacted me a year ago about Sandy.

Heidi is a gem. There was never any doubt that she was living for the Lord. Whether it was her family, flowers, Levi, or horses she gave God the glory.

I am so very sad about your loss. I know that her great hope is for others to see Christ through her-in both the past and future.

May the Lord give you great comfort and peace.
