“ Auntie was a most wonderful Aunt. But I learned over the years she was more than an just my Aunt. She was an extraordinary woman - intelligent and quite clever, passionate, spunky, strong. She had a great sense of humor and was also a bit sassy! A complex personality with so many fascinating layers. But most of all, she was beautiful inside and out. Warm, giving, caring,and accepting to all. Auntie had a way of making everyone she talked to feel loved and important. I thank God for all she brought to my life and her generosity of spirit. I will deeply miss her.
