“ We just found out that Ian has passed and are deeply saddened. He was a close friend of my husband, Bill Richter, in high school/college, and he came to Oregon to stand up in our wedding in 1989. Bill stood up in his as well and we enjoyed time with him during early parenting days. We lost touch, except for rare Facebook posts, when we moved to Oregon. He last conversed with me in Nov 2021 via Facebook. Bill was hoping to connect with him on our next trip to Chicago and his internet search brought up Ian's obituary. Thinking of the Mundie family and Ian's children, as we know what a difficult loss this must be. Here are a few photos of Ian's younger days. The family photo was taken in the Mundie's kitchen. I believe it was the rehearsal dinner before he and Jacqui married.

“ Our deepest condolences to Kramer&Mundie family,
I've been struggling to come up with words on how Ian's passing has deeply affected me and David and Lindsay. I cherish every moment we had together. There are too many memories to list, but to me he was like my big brother and to Lindsay Uncle Ian. We loved him dearly. Forever in our hearts. Laura, David & Lindsay

“ *Losing a loved one is difficult - losing someone so young is crushing. He has a loving family who will never forget him and who will always love him. Our family has suffered the loss of a son/brother and know the pain of that loss. We love you all and wish Ian a peaceful rest. I pray for his family to find peace as well. Aunt Donna and Sons.*
