“ Our Ida ! The memories that our family had of you are countless ! Especially since my mom knew you from childhood, you are my brother Frankie’s godmother. My mom and you would talk and “swear” from the time you walked in to the house until all hours of the morning ! You had no problem in coming and waking us kids out of a sound sleep just to kiss us and say you loved us ! What a wonderful friend you. , my mom ( Arlene ) and Gilda were ! A bond of girl friendship that is truly had to come by !  
Love always  
Little Arlene !

*Ida, a part of my entire life. The laughter, our late night  
Talks with my mother and Josie and Angie. Endless  
Cups of coffee and always the best food. Through it  
All, Ida always gave advice and showed me her caring  
Ways. So, so many fun times brings back how much  
I learned and was cared for in that basement.*

*Oh, for one more night.  
Love You Ida, CellaLinda*

“ *Ida from the time I was born was always a person who was around and we all had the greatest time with her the laughs, the coffee talks with saltine crackers and jelly to donuts and watching certain tv shows when she came over to always know that the door was always open to her and she would walk in and go Gil you hear. My mom best friend and the conversations and laughs they had together. We will never forget you Ida and we still talk about you no matter what RIP you deserve to rest now your journey was amazing.*
