

Mr. Ignacio P. Garcia of Hoffman Estates

July 31, 1928 - November 1, 2024

Ignacio Garcia, 96, of Hoffman Estates, IL passed away quietly on November 1, 2024.

A private visitation will be held at Morizzo Funeral Home in Hoffman Estates. A memorial service and interment will be held at St. Michael's the Archangel, 1185 W Algonquin Rd, Palatine, IL at 11:00 AM on Tuesday, November 5, 2024.

He was a man who achieved much in his 96 years of life. From humble beginnings and a life of poverty to starting a life in the United States where he learned a new language, new skills and raised a family.

He was a man who developed a strong work ethic, one that he passed on to his children. He was a laborer, mechanic, carpenter, landscaper, roofer, plumber, gardener, cement finisher and so much more. But, what he loved most was digging with his shovel and tinkering in his garage. He was a creative problem solver who could fix almost anything. He inspired others to work as hard as he did.

He was a storyteller. His children would be entertained by stories of his childhood and the characters he encountered. Throughout his life he loved to tell stories that were entertaining and often imparted his wisdom.

He is survived by his wife of 68 years, Delfina (nee Garza), his 13 children: Ray (Aleta), Sylvia (Phil), Sally (Francisco), Sue, Diane, Roy, Cindy (Dave), Mary, Sandra (Miguel), Sophie (Scott), Sara (Mike), Ron (Christina) Jr (Karrie); 30 grandchildren, 9 great-grandchildren, his extended family, and many friends.

“ My deepest condolences to the entire Garcia family. I will miss Mr. Garcia very much. We initially became friends while he did landscaping work for me several years ago. Our friendship continued to flourish beyond then. I enjoyed his laugh and storytelling. His personality was larger than life. He was strong in mind, body, and spirit. He loved talking about his family and his adventures in life. His life story was an inspiration to me and my family. A true testament to the resilience of the human spirit. He frequently used his problem solving abilities to help others, and enjoyed doing so very much. May God bless you Mr. Garcia, until we meet again . Sandy Feder
