

## Mrs. Izabela A Kornaga of Hoffman Estates

June 13, 1955 - November 25, 2025

Izabela A. Kornaga, 70, of Hoffman Estates, Illinois.

Iza passed away suddenly on Tuesday November 25, 2025, in Crystal Lake, Illinois, she was born June 13, 1955, in Wieliczka, Poland. Iza was preceded in death by her father Tadeusz Lanuszka and her son Wojciech M. Kornaga. Iza is survived by her immediate family in and around Krakow, Poland: her mother, Anna Lanuszka-Adolf; her brother, Grzegorz Lanuszka; her half-sister, Kasia Adolf; and her half-sister, Kinga Lanuszka-Rebacz. Iza is also survived by her daughter Ella Kornaga of Forest Park, IL; son Kuba Kornaga; and grandchild Emmalee "Ivan" of Nevada, IA.

"Our mother was an astonishing woman of great strength and resilience. She immigrated to the US in June of 1987 with her family - the three kids on her back would later grow to test her every patience; she never wavered. She was a mother first and everything else came after, always taking care of others first seemed to be her life motto. "

Iza started her career in Iowa as a hairdresser then transitioned to home care once she relocated to the Chicagoland area. She had a lot of passion for life which included the Chicago Blackhawks hockey team and the Iowa Hawkeyes. She loved bargain thrift stores and shopping of any kind. Every holiday, big or small, Iza was ready with the most thoughtful gifts, always

thinking of others. She was the type of mother that sent care packages and brought over bags of groceries whether you asked for them or not. It was her way of always taking care of her kids and showing them just how much they were loved. Iza was born with a green thumb and had an immaculate collection of plants and flowers that filled her home. She made friends with ease and had a girl group that she was proud of. She also had an incredible taste for fashion and never left the house without her lipstick. She was beautiful every day.

Iza loved traveling around and being with her family. She had more adventures under her belt than most people can imagine. Lengthy car trips and flights galore, Iza was always ready to say yes to any adventure thrown her way. Her dream had always been to go to Paris, and that dream came true not once but twice. Paris in the winter, Paris in the summer, Iza radiated joy in these moments, and these moments are the ones that will be missed the most.

Izabela was a bright light in a dim world. She will truly be missed by many and will be forever in our hearts. Fly high mom we will all meet again in greener pastures. We love you so very much. “ We are so sorry for your loss. Izabela ( we never called her 'Iza!') was a lovely, warm person. She helped our mother, who lived to be over 100, in her later years and was a genuine friend, besides being a caretaker. May she rest in peace.

“ There are so many fond memories of your mom. Your home often felt like a second home to me. Thankfully your mom never kicked me out. :)

She started my love for Ferrero Rocher chocolates, and I knew she liked me when she let me have one of hers. They are not cheap! I will hold tightly to my last memories with you and her in Chicago. She had a zest for life, and I know that will continue to carry on through you.

All my love,  
Rachel

*I met Iza and her three small kids when she arrived to Ames, IA. Her ex husband made all the necessary arrangements for his family to immigrate to the US. Sadly, he abonded his family right away and left Iza and their young children in a foreign country. She was lucky because at that particular time there were many Polish visitors or new immigrants. Iza gained many friends and her home became the home for many. Her home was always opened for whoever wanted to have a cup of coffee or share their troubles. She showed extreme strength, got a new training and supported her children the best she could have. I'll always remember Iza with a warm smile on her face, friendliness to all and love for her children. RIP, Iza❤️☐*

“ *Kuba, Ella, and the rest of the family - I'm truly sorry for your loss. Izabela was a great mom. From the first time I came to your house, there was almost always beet soup, boiled potatoes, and minute steaks on the stove. Even though your mom had to work, she always made sure that you had what you needed. I really cherish my time with your family, and it has had a huge impact on my life. There's too many stories to tell here - whether it was mischievously helping Wojciech look for the key to Ella's treasure chest/jewelry case, or playing video games with Kuba and Wojciech (all the while your mom keeping a watchful eye on all of it) - I will miss her and still miss Wojciech greatly. We're here for whatever you need.*
