“ *R.I.P. Jim. My condolences to Jim's family and Aunt Linda. When I first met Jim he seemed rough around the edges but once you get to talking to him and get to know him and what he was into I.E. Sports (especially Notre Dame), Poker, and good food, I found him to be a great guy and fun to be around. Just didn't like that he ALWAYS had the winning hand in poker. So lucky! We would play 7 card stud with high spade in the whole splitting the pot and he almost always had high spade in the whole and the best hand to take the entire pot lol. He will be missed.*

“ Will always remember taking everyone's money when we played poker with the family. He always said he was down even though he had a pile of chips.

Enjoyed his company and his sense of humor. We also enjoyed many fantastic dinners with him where he always enjoyed the best steaks.

Last but not least will miss you always and here's to that horseshoe you had throughout life.

Love you man!!
