“ Dearest Linda and Janine,
What a life Jim gave us all! Jimmy, Tyler and I are so deeply sorry for your loss of an amazing husband, father and friend to so many. One of the things that we will always cherish about our friendship with Jim is how he ALWAYS called to check on us, particularly Tyler when he was struggling. The love that he always extended to make us and others feel loved, appreciated and most importantly cared for cannot be duplicated. We watched the love he had for you Linda and Janine and the entire family...love that is unconditional. Today, he is resting in the right hand of our Father, looking down on you all and loving you as he has always loved...without measure. We feel blessed to have known him and to have been touched by his beautiful heart. There are no adequate words to convey our sorrow for your loss but please know that we are always with you if there is anything we can do to ease the pain. We will continue to pray that God will bless you with His peace and comfort that surpasses our understanding. Linda, you never left his side and you were tireless in your care for Jim. There is no greater love than the love you have given and shown Jim. He was loving you then and he is loving you now.

We love you all dearly.

Jimmy, Karen and Tyler

“ Jim was and is my great friend. We did so much together and had lots of great moments. I miss those so much. I especially missed having our coffees with the dogs at my house and sneaking donuts. I have such a huge hole in my heart cause he is not here with us in the physical. I really have not come to grips that he has passed. I look for him and when I go on walks with my puppies I know he will join me with Molly and Sierra. Also I am keeping the to-do list of stuff he still needs to fix. I expect him to finish the work, so Jim "get on it". You are so much a part of our lives and all of us - Gigi, me, Pookee, and Nuni - have you in our thoughts. Say hi to Muffin will you?. I will see you one day, buddy.

Your friend always,
Jerry Harris

“ Dear Linda and Janine, no words can really express the sorrow in my heart. I prayed every day for Jim to be able to come home to you but God had other plans. Jim knew what a wonderful wife and daughter he had. He knew you guys were there for him day and night. Your devotion knew no bounds. Always keep with you the knowledge that Jim knew what warriors you were and felt your love everyday. Linda I am so privledged to have had you as my dear for so so many years and forever. Thank you Janine for being by your mothers side. She loves you so much and you her. I love you both

“ Jim, I love seeing your big beautiful smile on that picture, because that's what we all had, when we were around you. Nothing but smiles! When the family got together, we actually had to take turns talking to you, because you filled us up with so much laughter. You were always such a kind man, taking the time to just simply see how I was doing. When you and Linda picked me up for gatherings, on the way home, you always made sure I got into my apartment ok, and those little things are why I know what a SPECIAL MAN you were to my friend Linda and Janine. I'm always going to remember how you loved to tease me, but always made me feel at home with your family. Thank you for loving Linda with all of your heart and being a wonderful father to Janine. I love you Jim

“ Uncle Jim (Jamsey),

I miss you dearly and take comfort in knowing you are with my Mom and rest of beloved family that has passed away. Sure that Mollie your dog pride and joy is happy to see you again! Robert is already missing you, wondering who he will call to run mechanical mysteries by to solve or to talk and share videos about car racing. Life is certainly different for the rest of us in the family and those fortunate to have loved and known your humorous and warm presence in their life. I am so lifted in spirit and I hope that Aunt Linda and Janine are as well by all the beautiful notes and memories left by your friends. The great news is that we will all be united as family again and will be with you in time. Until then Uncle Jim, know that we love you and miss you dearly.

Love you- Kimberly (a,k,a, "Cuz") and Robert.

“ Jim was a dear friend. I met Jim in the hospital 2 months after his heart transplant. He came to visit me after I had my heart transplant to comfort me and explain what I'm going to go through. He told me to learn the names , colors, shape , what it's for and when you are to take your pills . They won't let you out until you do. I thought he was kidding. He came a couple of times. He would call too to check if i have memorized the meds yet. Ive been blessed to have him in my life for almost 13 years. I loved the breakfasts lunches or even a dinner or two. He would always crack jokes and always made me laugh. I will miss him very much. He will always have a special place in my heart. Jim was my earth Angel. I'm sorry I didn't get to say goodbye but I'll see you again in heaven Jim. ❤️🙏. I miss you already.

“ Jim was a very special person to me and my family for so many reasons, one being the way he was there for my mother (Lenore), wether it was to take her to a Dr appointment or make sure she made it across the street safely, he was such a caring man. I was so appreciative of his friendship with my mother, my mother always loved going to the park and being able to have Jim to talk with .

He was a very knowledgeable and interesting man as well and when I was visiting my mom and we would be at the park with the pups I enjoyed hearing him talk about his adventures. I admired the love Linda and Jim had for each other, Jim had a glow when he spoke of his wife.

Jim will be greatly missed. He is loved forever.
