“ I knew Jan when she was with the township crochet group .
Through the years we enjoyed the Fridays we got together and had
a good time while making things for charity. She was a wonderful
giving lady and will be sorely missed by the family and everyone
who knew her. My heart and prayers go to you .

*Thank you so much Sally! I miss my mom so much. It's been very
devastating for me and is still very hard to accept. Thank you for the
kind words. I will stop by some Friday soon to say hello to everyone
who knew my mom. Michael Minch*

All summer in the early evening, I used to watch Mrs Minch and my wife out on her driveway, talking away, gossiping and guffawing at some joke one of them had come up with. It reminded me of times when my MIL was around, and wife and she would do the same. I think my wife saw her mother in Mrs Minch, i guess that made me her Son in Law. I would be honored if she considered me one. I will every winter wear the blue balaclava she knit for me, and fondly remember her always.

“*Mrs, Minch was the first neighbor to welcome us when we moved into our first home on Primrose across the street from her, She showed up at our doorstep in the first week, with a welcoming smile and a plate of delicious home made cookies. And we stayed best friends over the years, chatting in the front yard in summer and over phone during the hibernating winters. We exchanged plants and herbs, she taught my daughter to crochet, my son played with Cameron before he entered our home. She even knit my husband a balaclava because he had cleaned the snow on her driveway one particularly brutal winter, after calling me to ask about his favorite color (he still wears the blue hat every winter). She will be missed terribly by our family, and we were blessed to have known her. Good Bye Mrs Minch !!!*
