“ I remember Mrs. Jarzemsky as a fun and engaging "lunch mom" at St Hubert's. She raised a lovely family. Kim - a year older than I - was always nice (and funny!) to me when I felt completely invisible, and Mark was always one of my favorite people throughout childhood. I'm so sorry for the loss of your mom, but know your family is still one of the best in my memory and I am sure your mom contributed to this <3

Thank you Kathy for your kind words. She was awesome. We are all very proud and humbled by how she lived her life and touched so many. Some of her last words were telling the nurses how she had the best family. I'm so fortunate to be a part of it.

“ Deep condolences on the passing of this great woman. Joan and my parents, Tom and Lila Hayden, were fellow parishioners and neighbors (2 doors down on Newark lane) for probably 60 years! Joan was always so friendly and helpful, especially when my dad passed in 2014. I always admired her spirit, her love of the arts, and her smart sense of community. She was someone I looked up to, and I'm sure her legacy of service will live on as she touched so many with her positivity and love.

“ Dear Dan, Dave, Carol, Kim, Lynn, Mark, Tim, and Family,

As the Director of Alumni Relations Emeritus at Saint Viator High School, I offer you the sympathy and prayers of the Saint Viator/Sacred Heart of Mary community, as well as my own. Our hearts go out to you as you begin your journey of grief. We pray for you as you share the stories, laugh and cry, and find ways to celebrate the life of your mother and the love you shared.

It was clear from the obituary that your mother was a woman of deep faith who shared her talents in many ways. As I read the following description: "...she was the heart and soul of her large extended family and a dear friend to many...full of life and joy and an inspiration to all," I was reminded of an adaptation of a reading from the Book of Sirach.

*“Let us praise an illustrious woman,
faithful to her family and friends, strong in her love.
At peace in her heart and her world,
she has left us her good name, and we recount her life of
praiseworthy deeds.*

*A generous woman her good works will never be forgotten.
Among her family and friends remains a rich inheritance born of
her....*

Her name lives on from generation to generation.

We gather to sing her praises.

We proclaim her wisdom and love of life all our days.”

*May God’s promise that life is changed, not ended, comfort you!
May the knowledge your mother lives on in your goodness give you
peace and hope.*

Take care and God bless you with the gifts you most need!

Judy

“ *The first person I met at St. Hubert was Joan and she made me feel welcome and contented. We shared information about our families as lectors at Masses, and she was always happy to see me. She was an outstanding person whose love for church and family I admired. I sometimes shared some jokes and puns with Joan, and she never told me not to stop. And she told me about a fiend of hers who was a golf addict like me and was still playing at the age of 89. I will miss her smile and friendliness. May she rest in peace!*

Joan was always a bright spot in any room. Her love for people, music, nature and life made her a special treasure. The world will be a little less fun without here spicing up the day.

“ *Joan was an inspiration to all that new her. She was an asset to the community and will be missed by her family and many friends.*

“ Our family was always inspired by Joan and the works she accomplished- art, music, and giving hope and encouragement wherever she went. Possibly she'd love that she raised wonderful, kind and accomplished children. Joan's footprint cannot be missed and for that we are all blessed.
