“ Oh Cindy. My heart was so broken when I arrived at the pool yesterday and was told the news about Joel. I can't believe it. So many times the last two days, I looked up fully expecting to see him trying to splash the new lifeguards or make the rounds to talk to all the new people. He was an amazing man. My whole family sends our love, our prayers, and our sincere condolences to you and your kids. Joel will not be forgotten. I think I might bury a bottle of suntan oil behind his pool chair "spot". Somehow seems fitting. Jolene, thank you so much. I know he was a presence at the pool, even to those who may not have directly interacted with him. He just was so memorable. His playful personality was such a happy thing in my life and we will always miss him so much. I still sometimes forget he won't walk in the door after work. I just hope that time will help us to remember him without the tears someday.

My deepest condolences to his family. Thank you for remembering Joel. He never really thought he made an impact, but obviously he did more that he knew.

“ *It was with great sadness I heard of Joel's passing. I remember Joel from Maryville as our parents worked there and Joel and I being the same age were friends as children. As we grew and the families moved out of Maryville, we lost touch until high school. I would occasionally see him in the halls of Maine West. My sincere condolences to his families and friends on his passing.*

“ Truly saddened today. I for one loved his spirit and lament that I had lost touch with Joel over the years. I so appreciate the comments of others who have known Joel well after high school. The one thing that I have not lost touch with was and is Joel’s humanism, compassion, and joy for living. God bless.

“ My family and I are very sorry for the loss of Joel. We’ve been on his route for over 30 years through our businesses in Wood Dale and he became a friend. We will miss the conversations and the laughs with our gregarious, happy buddy in the green truck. At one time we used to have a dog at work, a Husky named “Nicki” that Joel loved. He had a stop before us that had dog treats and he always brought some for her. Joel was a great guy, our hearts go out to his family.

“ Dear Cindy, Miles and Jessica, I am a classmate of Joel's sister Connie. I remember Joel as a little kid. I remember him being very much loved by his family and his sisters. Although I did not have the pleasure of knowing him as an adult, I am happy to read that he grew into honorable adulthood. Many your many memories of the happiness you shared give you comfort and the courage required during this trying time. Peace,

“ Dear Cindy and family, I will miss Joel very much. He and I had many laughs together and I can recall one time when he showed me how good a golfer he was and how bad I was. My God take him into his arms and comfort the three of you during this hard time. Thank you, Bob. I am comforted by the kind remembrance of Joel. He was a great guy to so many that was taken away too soon. He was everything to me and it is seriously hard to go on some days. I am hopeful that as time passes I will be able to remember his playful spirit without crying. It is still hard, but I know he is with me in some way always. He did enjoy your golf games. He always said he would do it more often, yet life got in the way. I'm glad that you enjoyed the game with him. He always remembered that.

“ Dear Cindy, Our hearts reach out to you and your family. Joel was such an amazing person with a beautiful heart. Although I did not see him often, he made an impression on me that will last forever. I still remember his laugh and his smile, and more than anything, his welcoming presence. Surely he is in the arms of our Savior. God bless,
Stefani (Picchiotti) Skogman and Family I am sorry for not commenting here sooner. It has been really hard to do so. Thank you for your beautiful words of comfort. It really warms my heart to hear that he was remembered so fondly. He did have a presence wherever he went. He was my rock and I am learning to move forward without him. I feel like he was taken too soon but his lessons here on earth were completed and hoe is on to better things. We all miss him so much, but I know he is now my angel keeping watch over me and my children forever.
