“ *For nearly 50 years, you were our friend, but calling you that never felt like enough. You were a brother to us in every way that mattered—someone who shared our life, our memories, our laughter, and our family. Over the years, you became family.*

*You were a constant presence through so many of our life passages, always there with your unmistakable way of making us laugh. You weren't just part of our life—you were woven into it. You were a close family friend, a trusted confidant, and an uncle to my son, who knew you as someone who loved him and cared about him.*

*The memories we built together over almost five decades are countless, and we will carry them with us always. Your absence leaves a space that cannot be filled, but your spirit, your kindness, and the bond we shared will never fade. You will always be loved, deeply missed, and forever remembered.*

*With Fondest Memories,*

*Lori and Bud Bergeron*

Truth. I had Sunday 8 am tee time with JC for a dozen years. I would be partners with him and he would triple press followed by a quadruple boogie.
