I'm sorry to hear that my cousin John has passed. I remember visiting my aunt Catherine and "Mixie" when we all lived on Lockwood Ave. many years ago. I was fascinated by the things I saw on their dining room table, e.g. slide rule, oscilloscope, Scientific American magazine. I was impressed that John was always on the Dean's list when he studied engineering at U.

“ I remember going up to Stay at Gerard’s and Jennifer for a business trip and it was just after my own dad had passed away. We ended up going to the Stadium for dinner and when I was there I started thinking that every time we went out as a family my dad always paid and that would never happen again. When it came time to pay I asked for my bill and John turned to me and said he was paying for the family (me included)! The feeling was something I will never forget. He was a good man.
