“ Ron, Tony, Linda and the rest of the Schaschwary family. You guys are in my thoughts and prayers. It brings a smile to my face when I think of him letting me stay at your guys' house in Oswego, when I needed a somewhere to live until I got an apartment after graduating college. John would literally have my dinner on a plate in the microwave when I got back to the house. He treated me like I was one of the family. I have always appreciated what he did for me and have great memories of him. What a great person.

Thanks Howard. Our Dad joked for year about the "elusive Howard" that lived with us. Since you worked late and came out late from the city, he only knew you were around because your plate was empty each day. He joked that you even moved out while he was asleep on the couch. Thanks for the kind words. It means a lot.

“ Uncle John was one of my favorites. He always had a smile for me, and was one of the funniest Uncles anyone could have. I loved that he chose to live close to us for many years and I have many fond memories. Uncle John will be missed! He is in my thoughts and Prayers.
