“ Chinouski this is a friend nah he is my hermano. That physically is missed but in my heart will always be. Chinousky is just so special in many different ways. Best way to describe him HUGE at heart. Humble, helpful, full of joy. His kids are his major pride. Many many times hi expressed how proud he was and how much love and respect he had for both. Grand babies forget it... untouchable many times he left me hanging for those beautiful girls and he used to say quoting “mujercita tengo que cuidar a mis nietas, sorry!”. I cried and I'm going thru my process. My memories will stay tattooed on my heart LOVE will endure. I will still have conversations with you Chinousky no matter what. You are and will always be my Chinousky... an amazing human being.. so proud to be your friend
