“ You were one of the happiest people I've ever met. Thank you so much for taking care of me whenever I came to visit Seong-Oea. Driving us to six flags, taking us to medieval times. These are all memories that made up a great childhood for me. These last time I saw you, you gifted me a plaque that said life is like a cup of coffee. It's as good as you make it. You're a truly special person Uncle Joe and you made so many people's lives brighter with your great laugh. I'll miss you. Take care and I hope you enjoy heaven ❤️

“ I can't believe this news of losing our beloved Brother Joe! I will never forget how he always tease me and my husband that we build God's kingdom one brick at a time. We always talk about "that brick" every time we meet. Thank you for your positive energy and encouragement my Brother! You will be missed and you are always appreciated!

“ Joe and I have been in touch and Friends for over 30 years. We worked together in the fish business and after that we both worked different jobs but always shared our lives and watch our kids grow up together in Illinois.

We always shared many stories about our church life and then our lives as retired folk but inspired one another to keep moving and doing things to make extra income., We shared our victories and supported one another's stories. My wife and I are artists and Joe loved to see our art work and even purchased a print of a horse that I painted from a photo my son took while visiting New Zealand. Joe always called me CAPTAIN and when I answered the phone he yelled CAPTAIN !!

I have saved several of his voice messages which I will play often to keep his voice and our memories alive .

I live in NC and Joe and his wife were planning on visiting us in March 2026 but due to his health it didn't happen..

I know his daughter will miss him so much as her mother who passed in 2020.

She is a strong young women who made 2 children that Joe could enjoy for his time here and his memories will always be with the kids forever...

I will truly miss our phone calls and his energy and advise forever and one day we will all meet in the spirit world to continue our talks and laughs ..

God Bless Joe and his existing family

Godspeed
