“ Dear Ann, Mark, Mike, Kathy, Gina, Jessica, Adam, all the grandchildren, Pete and Nick. Sab and I are deeply saddened by the loss of your beloved husband, father, grandfather, brother and friend to many.

Joe, that would be my cousin had a big personality and an even bigger heart.

He would love to tease and drive you nuts, but at the same time you couldn't help laughing out loud. I'll never forget spending time as a kid, at my tante Vavi and uncle Peter's cottage in WI. with my parents and of course Pete and Nick on lake boating. Getting badly sunburned and eating my tante Vavi's delicious German food, much of it grown in their garden in Rockton. And then in later years with my husband and our boys we would always look forward to spending a weekend at the cottage. We will cherish those memories always.

I will miss knowing you are no longer here but up in heaven driving everybody nuts. While breaking out in laughter.

Ann I pray that you will find peace and comfort in the days, weeks, months, and years ahead remembering all the happy times you shared with Joe and your beautiful family.

Our deepest sympathy and love.

Marie and Sab Ovcina and family.

“ Joe and Ann shared happy times together with us either at family get togethers, or at resorts. He was a good man, great father and wonderful grandfather. We will miss him deeply!

“ I had the privilege of meeting Joe through my Uncle Bob. Joe and Uncle Bob were friends and neighbors for a long time. Any time Joe was at one of the family events, I would make it a point to talk to him. His story of building a successful business was always inspiring to me. I loved talking cars with him doing my best to understand the details he would go into. Joe treated me as if I was a lifelong friend and hearing about his passing left me in shock and full of sadness. I pray for Ann, their children and grandchildren during this difficult time.
