“ *I worked with Joe at the Rolling Meadows Mariano's for over a year and I have nothing but the upmost respect for him. He worked hard and always treated everyone with respect. I will always remember his friendly demeanor and down to earth respect. I will miss you Joseph.*

“ *I was a classmate of Joe's at St Cornelius, and he was my friend. I lived near his home and remember summers of baseball and football in the alley behind his house and at the local public grade school. Joe was a leader among the neighbor kids, quick with a smile and laugh, and a good athlete. It was a sad day when he moved to Arlington Heights. My deepest sympathy for his family. You and Joe are in my prayers.*

“ *I remember when Joe was shot. The bullet was too close to an artery to operate until he had healed more. He came into the police station wearing gym shorts which had printed on the back “get the lead out”. He had a great sense of humor and a great laugh. It was a privilege to have known him....*
