Thank you for your reflection of his love for life, Judy. He was a man of service! He had a strong Polish core, as you said!*

“ *Just learning of Joe's passing-- I enjoyed working with him at Lawrence Funeral Home and as Dan Morizzo mentioned in his memory, I fondly remember Joe's love of ice cream and his beloved pet cockatiel bird before he moved to Wisconsin. We lost touch over the years but his laughter and wittiness will always be remembered as will his kind heart. Rest in peace Joe.*

“ I will always cherish our get togethers at O’Hare airport flying for various mining conferences. Joe always made a point of meeting with me between flights and we would have a great time dining and talking about our family roots in Jablonka. May you rest in peace.

“ Dear Great Uncle Joe! I heard a lot about you from my dad, also Joe Stachulak. In particular about your wonderful sense of humour and deep faith. We spoke to you last at Christmas on speaker phone and it was special to hear your voice and laughter. May you Rest In Peace and I will be praying for you! Love great niece Ania Stachulak

“ I am so thankful for the time we spent together working at Lawrence FH. There were many conversations and much laughter. But the best memory was our time after wake duty eating ice cream from Baskin Robbins! Pastor Dottie and I will always remember you in love and prayer.
