“ Noni is my best friend for life. I have the most amazing memories with her that I will forever cherish for the rest of my life. She truly is one of the most amazing people I know. She has taught me so much in life and I truly hope to be as amazing as her one day, but those are pretty big shoes to fill. Noni was so caring, kind, selfless, loving, and would give you the shirt off of her back no matter what, and most of all feisty which is something we have in common. After taking care of Noni for the past 9 months after her stroke, everyday became an even greater memory with her because we did everything together and she always still made me laugh, and put a smile on my face no matter what she was going through. I'll miss going everywhere with you Noni, and spending all of my hours with you, because everywhere I go now reminds me of you, and that is ok with me because you are an amazing memory. Thank you for all you gave me my whole life, and so much love. Till I meet you up in Heaven, Forever, your freckles💜

“ My noni was my bestfriend im so blessed to have her next to my side growing up my whole life. We use to love talking walks and bike rides together when I was little. We would have a designated route we would always take and would stop at the same stuff every ride. Like the bent tree I could hang on or the little stream of water I could jump over. I was blessed enough to have the opportunity to purchase two trees in remembrance of her. I thought this was perfect because we loved our bike rides together and my favorite thing was hanging on the bent tree. Now we have another special tree together forever. You'll never be forgotten I love you forever! Until we meet again🙏👍❤️

“ She was more than my Aunt & Godmother she was one of my best friends. I have so many great memories with her. The one that always makes me smile is when I was making my confirmation. When I told her I was taking her name she said you must really love me to do that. I will miss our hour long phone calls and laughing about how much we are alike. You will never be forgotten 💜
