“ Joshua was an amazing person and I’m I got to know him. I will escort him to his classes during the school year. I got to know him during that time. He had alot of goals he wanted to accomplish. Joshua had the same love of sneakers as I did and we shared that hobbie. We will talk about the latest sneaker news and what shoes we wanted to buy. We will get excited about sneakers and Joshua will share with me what shoes he will buy. Another thing I learned from is he really loved UFC and anything with martial arts like boxing. Joshua will tell me about the latest figths and his favorite fighters he admire. Not knowing he was a fighter himself. Joshua will tell him really like to get back into working and Mabey been able to wrestle again. Joshua really loved the sport that he became the manager of the men’s wrestling team. Joshua really show me if you really loved something and you really put your mind and soul to it you can accomplish it. The passion he had for wrestling and set goals he had was admirable. Joshua was an amazing person with a lot passion and wasn’t stoping. I will miss are walks to class and talking about the latest sneaker news or figths coming up. Joshua will be missed and we all have something in us that will remember of him.
