Jane passed away peacefully Thursday night after a 6 month recuperation period following a stroke. Early on, she had been in and out of intensive care, but had fought her way back with determination through set-backs and challenging physical therapy rehabilitation, to get back home from rehab to a joyous Ben and family. Jane returned home on Tuesday and was doing physical therapy at home and being doted on by Ben and her children. Her last days were filled with the blessings of family, the comfort of home, and the prayers that have lifted her up since the onset of her illness.

“ *Teri and family,
I am reminded of something I read "Goodbyes are only for those who love with their eyes. Because for those who love with heart and soul, there is no separation". Our heavenly father blessed Juana with a beautiful and loving family and now He has embraced her in his loving arms to welcome her home. May all your memories bring you peace.
