“ I worked with Judy and Mary in Distribution at Avis and we never had a dull day. Judy brought fun to everything and shared her kind heart with everyone. There are too many memories to even try to recount, but one thing that will always remain in my heart is Judy’s love and friendship.

Rest now, my friend. You have made all of our lives better for having allowed us to travel this world with you.

May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face; the rains fall soft upon your fields and until we meet again, may God hold you in the palm of His hand.

I love you, Judy.

“ Judy has been a wonderful and fun-loving neighbor for over 20 years. We enjoyed countless dinners and get-together where we shared countless laughs and heart-felt discussions. On the summers, we enjoyed countless games of Rummy where she constantly strategized how to play all of the Aces! Her banter with Al was always a laugh.

Over the past years, her battles with her health challenges demonstrated her determination and courage. She remained optimistic and showed all of us how to face adversity with dignity and grace.

Judy has left us far too soon. We will miss her friendship and camaraderie. We send our sincere condolences to all of her family and friends. Judy, may you rest in peace knowing you were greatly loved and will be sincerely missed.

“ We were the *LUCKY* ones...meeting Judy and Al in 2009 and becoming neighbors by chance brought a gift into our lives! The *GIFT* was you- Judy and Al. We *LOVE* you both so much! To my "soul sister"...Judy, where would I ever begin to share all of the countless memories we have created during our too short 15 year friendship! We have laughed, we have cried, we have giggled and giggled, we have traveled, we have shopped, shopped and shopped some more, we have decorated and we have had endless long distance marathon calls through the years. Our hearts are shattered, you fought an absolutely courageous battle like a champ and left us too soon... you will be missed beyond measure! Judy, you are one of a kind and we will treasure all of the memories we have shared forever!

Sending our deepest condolences to Al, and to all of her loving family and friends!

“ I am overwhelmed with sadness for the loss of such an amazing, kindhearted, loving and caring person. A true fighter beyond belief! I have known Jude for 40 years. She has touched SO many. I was always amazed at her sense of style and her eye for fashion. Always dressed to the nines. We worked the AVIS counter together for many years, grew up in the same neighborhood and definitely did some partying back in the day. I have a photo album full of all the incredible memories! She was a genuine person and never any B.S. with her. Al and Jude are the epitome of true love. A love that I am (somewhat) responsible for. A story that she had great pleasure sharing with me every time we saw one another. Depending on the day, she would sometimes reference it as “it’s all your fault!” :-)
My deepest condolences to you and your family Al, my heart aches for you.

*An absolute treasure, gone too soon.
Memory Eternal.*

“ Judy and I grew up in the same neighborhood having 55+ years of friendship-you sure don't hear of that nowadays. Judy had a true gift and eye with decorating and coordinating a wardrobe with her accessories. She was always a phone call away ! Since her first d/x with cancer, she remained positive and had Al at her side providing constant encouragement. She fought a courageous battle. I was blessed to have Judy as a friend in my life. I will miss her !
Our deepest sympathy to Al and his family and Judy s family and all her loving friends

“ Judy is my sister-in-law. When my family visited Chicago, we always stayed with Judy and AL and were greeted with open arms and big hugs. She was a gracious hostess and always made us feel as if we were home. We laughed a lot about the funny things and our experiences with our in-laws. We felt the Pauzuolis bond. Oh, the stories we shared!

I loved making up all the flower containers for the deck and the front of the house in the spring and there were lots! We spent hours making the best arrangements in the neighborhood. At least we thought so!

Judy was fun to be with and always showed us a good time, from botanical gardens to great restaurants. I remember going to a restaurant where the waiters insulted us, what a hilarious time. Of course, she made sure we got the best pizza in Chicago. She went the extra mile to make us smile.

We would spend hours on the phone, no subject was off limits and Judy had her opinions! Judy gave 100% of herself to her family and friends. She was a kind and loving person and truly cared for and about people. I will miss your giggles and sense of humor. I will miss you.

“ Judy was an absolutely beautiful person, inside and out. I met Judy back in the early 80's and we worked together for many years. Judy became a very close friend of mine. I remember when we both worked the swing shift, our entire group would go out to the bars every night after work and have so much fun together. At the same time, I also worked with Al and became good friends with him as well. I always thought to myself that Al and Judy would make a perfect couple. Several years later, my thoughts became a reality. I attended their wedding and from that day forward, they were inseparable and loved each other so much. Judy will be missed sorely by all of us. Prayers and my deepest condolences to Al, her family, and friends. Love you Judy!

“ *Judy grew up across the street from me, so we had the bond of knowing each other's families. I loved cracking her up because she had that infectious laugh which made you want to do whatever you could to keep her laughing. Every Christmas card I wrote or every time I'd see her I'd give her the "Judy, Judy, Judy" routine which I recall from seeing Goober Pyle on the "Andy Griffith Show." She'd look at me, shake her head and respond with, "You're such a dork." The dumb routine and the good natured ribbing was so worth it, because Judy had that great take you down sense of humor as well.*

We are so sorry for Al, your families and all that loved her. Judy was a wonderful person, a truly lovely lady who will be missed.

“Where do I begin....Art first met Judy in a class at Triton College and then after, both working at Avis in the very early 80's. Eventually, Judy worked for Art as a manager for several years. Judy was full of life for sure. Poor Judy was the brunt of pranks and jokes many times at Avis Christmas parties. She never learned to NOT leave her purse alone on the table at an event....you never know if you will go home with salt shakers, appetizers, etc. inside your purse that she would find later. Eventually, she learned to LOOK when she returned/ Art would say "you should go out for a smoke; you never know what will happen while you are gone". She always laughed and said "you guys". I always had the highest admiration for Judy; she went through breast cancer with a positive attitude and would say "what else can I do about it". She loved her slot machines and would share that with us when Art would tease her about her "winnings". Yes Judy, you have left a huge void in us all. We were all touched by you in some way or another. We were sad, shocked, heartbroken and in disbelief learning the devastating news. Another reason to remember, tomorrow isn't guaranteed for any of us.

Judy was so strong in so many ways. She lost her mom young, she battled cancer like a champ never giving up.

I could go on and on.....but clearly, Judy, you will be missed so much by Art and I. Thank you for being a friend and a good sport about everything. Rest well, sweet Judy; you have earned the rest even though it was too early.

Al, we are here for you for whatever you will need. Hold onto the happiest moments shared. May it help you through this difficult time.

I got to meet Judy after I was called and asked to help watch their dogs and their home whenever Judy and Al would go on vacation. I remember Judy being a kind, caring, and sweet soul. It was easy to see how much she loved her family, especially her two fur babies, Izzy and Honey. My sincerest condolences go out to the entire family!

“ *Judy was a loving and giving person. We shared times together through our daughter, Nicole and son in love, Tom. She loved our shared granddaughter, Adeline, and was her JuJu. She will be missed by many. I pray that those left to cherish her memory will do so with God's comfort and peace, and they will look to him daily for their strength. Al, you and the kids are in our thoughts and prays.*

“ *Judy was the greatest addition to my life and that of our family. She was the heart and soul of all of us. She became the center of my life. We were inseparable. After I retired we did not miss one day together. She helped our family through some tragedies like the passing of my parents, and the passing of my two brothers and sister in law. She was the guiding light to help us navigate through those difficult times. I hope she can whisper to me in my sleep to help me get through this, and somehow find a way to move on.*

Judy was one strong fighter, she survived breast cancer, and 3 bouts of lung cancer with grace and courage. We were confident we were going to win this last fight, but God had other plans and must need her in heaven to help with some other problems up there.

I will never forget her, the memories of Juju will stay in my heart forever.
