“ *Carl, I am so sorry for your loss. Your family has been in my thoughts for many years now and I always ask Brandon how things are going for you. Your Mother was as strong as they come and have that in you as well. I will never forget her devotion and the big hearted woman she was. She touched many lives during life and was an inspiration I'm sure to all that new her. I know she touched our lives and Brandon for sure!!*

She will always be with you Carl, now standing strong with your Father.

My heart goes out to you.
