“ My favorite memory of my grandmother... There are so many I'm not sure where to start. So let me tell you all who she was to ME. My grandma, she was the one who never gave up on me. (""Ohh Dear"" we all know I haven't been the best ) she stuck by my side right or wrong, best of all her love for me never changed!( unlike so many others in my life. )) she always seen the best in me even when no-one else could. My Grandma gave me my first Bible. Helped me believe & instilled God into my heart. Anyone who's ever met her can vouch for my next statement ,, this woman is the definition someone with a heart of gold genuine and kind soul. I've never heard her raise her voice or use a cuss word in my near 30 years on this earth, she was the epitome of humble . Just the type of person she was, being able to know her and love her leaves me with many blessings Untold... I could go on and on that's literally how wonderful of a person she was. But I'll go & leave you with a poem fit for just her

*Beautiful Grandmother,  
Though I cannot see you,  
I feel your presence near.  
I will hold you close in memory,  
Till I drop my very last tear.*

*So sleep now with the angels,  
And your golden heart let rest.  
Although our hearts are broken,  
We know GOD took the best.*

*So dance beyond those golden gates,  
And join your waiting Husband,  
I'll see you when I'm sleeping,  
And pray for you to come.*

*And although this pain is hard,  
And I really don't wanna let you go.*

*I'll wait for death to take me Grandma,  
So we can together one day glow.*

*Until that day I'll close my eyes,  
and see your smiling face.  
I'll lock you up inside me heart,  
Until we again embrace.*

*So rest now my beautiful Grandmother,  
I'll never forget how much you have done.  
So until my hand meets yours again,  
Sleep now in the sun*

“ *My favorite memory of my mother was when she was re doing the bathe room and she didn't have any work gloves so she was using an old pair of one of the girls Easter gloves. She came out of the bathroom laughing histicrally. She finally managed to get out that the gloves where now stuck on her hands. That touch about 10 min and by that time we were all laughing so hard we barley heard her.*
