“ *I met Kathy through work, and she was kind hearted, passionate about her children and very strong willed. We laughed and even shared a tear. My prayers goes out to her family and friends. She will truly be missed.*

“ *Kathy was the true definition of a Superwoman! For all the years I have known her as a fellow cashier at Walmart -- Kathy proved this each and everyday as she juggled all aspects of her life and did it like only Superwoman could. Our laughter was endless, her determination of goals was fierce, and she was and always will be one beautiful soul. I feel completely blessed that she was part of my life and definitely made an impact on me and everyone she came in contact with. Kathy -- I know you always believed in signs - when you're ready, make sure you send some to your kids to know you're good in Heaven. Big Big Hugs and love to you!*

“ I only met Kathy a couple of times and my first impression was what a devoted mother and hard worker to keep everything afloat in their lives. My only hope is that she finds peace from her long battle with cancer. She has touched so many hearts and will be the angel in our midst.

*Our deepest condolences the Kovars*

“ Kathy was a Beautiful person. Very caring and considerate. I had the pleasure to work with Kathy at Comcast Business where she would talk about her second job at Walmart and also expressed the love she has for her children daily. Kathy was a bright light I'm so sadden to hear about this and praying for her family and friends. She will truly be missed.

“ I have got the honor of working with Kathy at Walmart. She was the most kindest person I have ever met. We had a few conversations about how she had 2 jobs and was working really hard to take care of her girls. Whenever I needed advice she was there and new exactly what to say to make me feel better. I am deeply sorry for the families loss and she will definitely be missed and the family will definitely be in my prayers 🙏❤️😭

Kathy, you were literally a fixture in my life for all of my 51 years. So many memories, I could go on for literally days but I won't. Beautiful Angel. I will always hold you in my heart. Heaven gained one amazing addition. You were too good for us, my amazing Cousin. Fly high. Rest without pain..... Love ❤️ Always, Jennifer
