“ *We are shocked and saddened to hear about Kathy's passing. We feel terrible that we didn't know about it until today and that we weren't able to give you, Dan, and Christian, our condolences in person, but please know you are in our thoughts and prayers. Kathy was a great person and I regret we hadn't kept in closer contact over the years, but sure do love the memories we have of our friendship and times spent together when we both lived on Trailside! Our deepest sympathies to you. Love, Donna & Jim Freeman*

“ *I worked for Kathy in one of the schools she was responsible for. She treated me aa friend and I felt her sincere kindness. Her passing has left me thinking of all the moments we shared together. May you rest in the presence of Our Lord. Maria Homola*

I knew Kathy for almost twenty years. She was our Director for 47. She always would take the time to set down with you a listen about your problems and always help me figure out a solution! I always remember her Birthday and tried to get something special that she liked! I know Kathy loved anything to do with frogs! She always told me I was the best decorator for the holidays in school! I will really miss Kathy I really cared for her as friend! Be at Peace!
