“ *I always thought of her as an Aunt. That favorite Aunt who would pay attention to you, be funny and super sweet. She was an anchor in the family. I am so glad that she encouraged us to have the Cousin get together. I can't think of her without seeing her smile and hearing her laugh. Godspeed Kathy. Well done good and faithful Servant. I miss you already.*

“ We met "Cook" through her godson, Kevin Machonis, we connected immediately and celebrated many special occasions together throughout the years. She always had a smile on her face, a chuckle and a kind word to say. We will certainly miss her kindness and the important part she played in our grandson's Kevin's life. Blessings and comforting hugs to her family. Prayers for peace and comfort. John, Edie and family

“ So sad to hear of my friend's passing. She was truly a most warm, wonderful and giving person. I remember the many times we played games together, went out to eat, laughed and cried together. She demonstrated a great love for family and friends. You will be missed, dear friend.

*Our sincere condolences to your family at this very sad time. Kathy & I were in study hall together at Alvernia....I was a senior and she was a freshie. We used to pass notes back and forth, what fun, and I was dating her brother. The year was 1962.*

*So sad to hear of Kathy's passing. Our heart felt sympathy to all her friends and family. When we were both very young together we shared treasured childhood joys at family celebrations. Though thousands of miles have separated us for the past fifty years, you remain in my thoughts as a play full young cousin.*
