“ *Beautiful service. So appropriate that there was so much music. I feel Kazumi bringing joy in the spirit world with her beautiful voice. But obviously her beautiful music only reflected her love for God, true Parents and all her bothers and sisters.*

“ Ken and Kazumi have been close friends and business partners of ours for over 25 years. We can all agree that the love Kazumi has for her husband and her children is something to admire. Their marriage was such an example of putting each other first and Christ as the center. Her contagious smile and giggle or her enthusiastic stories just lit up the room. We could always count on them, no distance to far, nothing would stop them from being there for a friend. Whether it was a 16 hour road trip to Kansas, or a 16 hour flight to Japan, there they were. We pray for the family and friends who are mourning her passing. Kazumi will be missed by all who loved her and we will all be touched forever by the moments we shared with this amazing woman. She made me want to be better, just watching her, and the love of her life, Ken. Our sincere condolences. Dave and Barb Pitcock, Brooklyn Chance and Kali.

“ *Hi, Kazumi san, now you are gone. I can not see your smiling face and listen to your beautiful voice. At this time your sudden going away can not be believed by anybody who knows you. We went together to visit Jerusalem in Dec. 2000. You were together with Rev. Weston as your guest. Those scenes when you were talking to Rev. Weston, smiling at him in the bus on our tour to Jesus' birthplace; to Nazareth where Mary and Jesus spent his youth and the Jordan river where John baptized Jesus, have been flashing back to my memory clearly on this morning of your Seunghwa Ceremony. Rev. Weston was not so happy then. but now he was so much happier with true parents by your faithful love and care. I will never forget your beautiful voice, specially the Christian spiritual Hymns you sang at many meetings moved my heart and I cried many times. In Heaven you will keep singing forever beautiful songs praising God, all the saints and sages and True Parents. All your faithful dedication given to Heavenly Father and True Parents was greatly appreciated and honored. Thank you, Kazumi san. God bless Kazumi and the Murray family forever.*

Closing.

“ *Dear Ken and Family:*

Here in Wisconsin we will always be grateful to Kazumi who came to the program to welcome Yeon Ah Nim and blessed all attendees with her heartfelt rendition of "Order My Steps in the Lord". I think that for many attendees, the echo of her song is what they still carry in their hearts. The power of music is inestimable, the way to move and to open our hearts is through the music and song. I can imagine that for many occasions it is the ministry through music that enabled attendees to hear the truth - truth of the presence on the earth of True Parents.

It is impossible to overstep the grief and mourning that we experience in the loss of a beloved. All positions we hold are replaceable, except those in the family. Praying for you all as you regroup and go forward in the life that lies ahead.

If ever you need to schedule a time for recreation in order to continue your hard work, do not hesitate to contact us and escape to Wisconsin!

*Blessings and peace,
