“ I wanted to add a few favorite pictures I have of grandpa. Many with me throughout my life, as I spent time being watched by Katie and Kato in my early childhood riding his John deer tractor around the yard of the old north lake house which I included. Please enjoy pictures taken through his life with old fishing buddies, when he and kay are just young kids and a video of him playing harmonica. We love and miss you so much. Thank you for treating me to be my true authentic self.
