“ Ken was a big hearted fellow. He embraced my dad (Walt) into the Haycock family when Walt married Marion (Ken's Mom). They were similar natured fellows.
Ken and Marie hosted us (Cathy & Peter) for a few days when we were stateside in 2012. His gentle nature was evident. He showed us around the area and made us feel welcomed. He will be missed.
RIP Ken.

“ *Kenny, Marie, my husband and I originally bonded because we all enjoyed going out to dinner a few nights a week. There was no restaurant that was too far for Kenny to drive to. When both Marie and my husband passed away, Kenny and I continued our tradition. He was a dear friend, neighbor, and part of our family for many years. You will be greatly missed.*

“ *Thank you Ken for the memories and friendship over the last 20 years! Thank you for mentoring me in the Promotional Products industry. You were a true friend who I could always go to when I needed life advice. I loved our fishing trips up at the river. There is a void in my heart that can't be replaced. Thank you for everything Kenny! Bill Kohler*

“ *The Township of Schaumburg Mental Health Board will not be the same without Ken. His years of experience with the Federal Government along with a brilliant mind and wit gave a perspective that is irreplaceable. However his favorite topic of conversation was not government. Ken lit up when he talked about his daughters. He loved them dearly!*
