

Mr. Lawrence "Larry" Enders of Huntley

October 9, 1959 - May 1, 2025

Lawrence "Larry" Enders, age 65, of Huntley, Illinois; passed away on May 1, 2025.

Leslie's High School Sweetheart and Beloved husband of 43 years; loving father of Jason and Kevin who he was so proud of for their good hearts; dear brother of Jim (Clare) Enders who he loved living close to and getting to spend more time with; loving step son of Doris Enders who inspired him to volunteer and help others upon his retirement; fond brother in-law of Howard (Carol) Blietz and Dave (Mary) Blietz; uncle to many nieces and nephews. Larry was preceded in death by his parents Bob and Beverly Enders.

Larry literally tried every day to make people around him happier and better....a happy hello, a tight hug, some food that he made, fixing something for someone, building something for someone, building a home for someone in need, mentoring Boy Scouts, loving his family and extended family. He enjoyed any time he could be at his Missouri lake house, boating, fishing, and having fun in the sun! He will be missed by all who loved him including his cherished kitty cats.

“ Larry was one of the kindest, most cheerful and generous persons I've ever met. He co-lead a mission trip that I and my son Wade did 10 years ago. He left a profound impression on me, on the importance of doing what you can, with what you have, as often as possible. Despite my being a newbie to home building, Larry exuded confidence that somehow the one tile grouting job I did at my house was enough to make me an expert and everything would turn out just fine. The photos included here are from another mission I did with him a few years later, rehabbing derelict homes in Memphis, TN in 2019. His sense of fun, of purpose, of caring made a difference for hundreds (thousands?) of people. I feel his loss keenly even though I only knew him but a little. My heart goes out to Leslie, the Enders family and his many friends and loved ones.

“ From the first time I met you Larry, you were the brightest and happiest person. You were so patient and you took the time to always help me. You went out of your way to always help others. Meeting Larry at Syserco was an instant friendship. He was the type of friend that I was hoping would be around longer to continue his selflessness in giving back to others. Best gift he gave me was the two years we've been friends. Gone way too soon brother. You will be sorely missed Larry sir.

“ Our entire family (your next door neighbors for 15 wonderful years) have lost one of the best friends we could have had in this neighborhood. When Larry & Leslie moved 4 years ago we were really sad (We still miss the bonfires & backyard parties, & all.) Now Larry's untimely passing just leaves a hole in our hearts that can never be filled. So many memories from when the kids were little!! We love your whole family & Larry was like our kid's favorite uncle. PB&J! We grieve with you today but celebrate the love he brought into our lives. Love, The Rosen's

“ Larry our Oct 9th brother, you will be missed dearly. Your love of God, family, and joy of living life to the fullest will truly be missed. We all looked forward to Larry and Leslie returning to their lake house. Great fun, food, laughter, and boating on the Lake. Larry had the gift of life in his soul, and he will live on in our hearts and memories.

“ I recall meeting Larry post retirement at Prince of Peace Lutheran Church. He gave heart, body, and soul to the Lord by his labors. With great enthusiasm, energy, love and joy. Always humble, generous, and compassionate. A true disciple and man of great faith. Impacted my life by his example. Missed and remembered by many. Deep condolences to Larry's family.

“ *Joie de vivre*

The phrase "joy of life" translates to "joie de vivre" in French. This expression captures the essence of enjoying life and relishing its simple pleasures.

I was on my first mission trip to WV in 2017, and recognized what a gift Larry was to each of the team members. He radiated the Holy Spirit through his servant's hands, giving of himself to instruct, encourage, and keep us on track to renovate water damaged homes.

Larry, the Lord bless you and keep you. The Lord make His face shine on you and give you His peace. Amen and amen.

“ *Met Larry nearly 20 years ago through his son Kevin and was graciously welcomed with open arms to be a part of this great man's life. A shining example of how to live a life full of love, faith, charity, hard work, passion, and spirit and bettering the lives of all around him. I can't come close to expressing how grateful I am for having him and this amazing family in my life. My sincere condolences to all who have been so lucky to be closest to him. The world was made a better place because of him.*
