“ *Have known Nan and Len since 1996. A great fisherman, a man of many visions. Building and Grounds Chairman and helped made the Monterrey what it is today. Your family away from home. Always a true gentleman! Helped during Hurricane Wilma, and always hosting a staff lunch with us during the season. We will never forget our "Hector Rodriguez ." Love, Dan, Donna, Mark, Ashleigh, Michael and Grant.,*

“ *My condolences to the Larsen Family. Mr. Larsen, coach, mentor, very good man. He had an unforgettable influence on my life. My mother passed when I was 12 years old. He cared and showed it. He took me to hockey practices and games many more times than I can remember. I am saddened he is no longer here. His impact on my life is a wonderful memory. There are good ones and this he was.*

“ Have known Len since 1996 when we first moved into the Monterrey on Marco Island. We had much fun playing tennis and wanted to also play softball, but never did. Really miss Len and wish the best for Nan who now needs to take care of herself.

“ *My partner and our friend will be missed more than words can express. We will cherish all the memories and so much laughter that we shared together. Our hearts are heavy but we know that we will meet again. Our thoughts and prayers are with the entire family! I found a poem from idlehearts.com that I would like to share:*

*I thought of you today, but that is nothing new.
I thought of you yesterday and days before that too.
I think of you in silence, I often speak your name.
All I have are memories and your picture in a frame.
Your memory is a keepsake from which I'll never part.
God has you in His arms, I have you in my heart.*

*Love and miss you forever Len!
