“ Lester- Such a dear friend to my parents Sam and Irene, and our family. He was always such a gentleman, and very interested in what was going on in my life whenever I would see him. My thoughts and prayers are with you dear Bess and your family. I was just heartbroken and saddened to hear of his passing. May our Lord comfort you and give you strength during this very difficult sad time.

“ I worked with Les for some years. He was a fair guy and a straight shooter, which is a rare quality these days. He was a good man. Prayers go out to the family. God Bless You Les.....

“ Les was the most amazing man! He always has been a father figure to me. My heart is completely crushed. He gave me the job I still have 24 years later. He was welcomed by my parents as my other parent. He would call me here and there out of the blue just to tell me that he was thinking of me and then yell at me to get back to work. While Les was sick I made so many attempts to come see him, I tried being pushy and he would tell me he would get back to me. I don't think he wanted me to see him sick. I enjoyed his texts, his emails and his phone calls. When I was 17 he gave me the opportunity of a lifetime to go to Hawaii with him and his family. I cherish those memories. He taught me inappropriate words in Polish. He used to watch Jackie Bang on the news and we'd make fun of her hair and name all the time. He came to my wedding. He fell in love with the most amazing woman, Bess who swept him off his feet. He got a daughter, he always wanted a daughter. Back in May, we spent a lot of time making sure that he knew how to get to heaven. He had Jesus in his heart. He's there. I know I'll see him again some day. It pains me that I cannot celebrate his life with the family, but my family has a planned vacation. I will be there in thoughts. I love you Bess, Scott, Steve and Dave and your family.
