“ My heart is sad right now as I had no idea Linda had passed until I tried looking her up to reconnect. In my younger years, Linda helped me through a great deal of painful circumstances surrounding a family member of mine. She was there for me when it felt like nobody else was and always had her in my heart even when I moved far away from her and lost contact. I will always remember how she knew how much I loved cheesecake and would make one for me from scratch. She was the BEST cook! I also remember eating Vionetta ice cream with her because we loved it and I won't ever forget eating dinner on her balcony and having two forks drop onto the ground below. This, of course, would only be funny to us which is why this was so special.

You have always been one of the nicest people I could ever know. You were the most caring and big hearted as well. I am sitting here, tears streaming down my face wishing that I hadn't waited so long to reach back out. I was missing you.....and tried to find you....and found this obituary. I love you Linda, thank you for being like a mom to me when I needed one the most. I will never, ever forget you and hope to see you on the other side.....

“ Linda was one of the kindest, most caring and giving people I have had the pleasure of knowing. Despite her physical challenges, she volunteered her time willingly, especially at St. Celestine, which is where I knew her from. She never complained and always had a smile for everyone. She helped so many. The world is a better place because of Linda. My sincere condolences to her family and to all those who loved her. I am blessed to have called her my friend.

“ I knew Linda at Three Oaks Assisted Living. I can honestly say she was my mother's best friend there. My mom, June, shared a dining table, Dingalings, and going to church at SSPP with Linda. Her positive outlook and dry sense of humor made her such a joy to know. She will be sorely missed. She's our loss and Heaven's gain.

“ There is a great emptiness left by Linda's passing. Her laugh and great sense of humor will be missed. I feel blessed for having such a great bond and friendship with Linda during her time at Three Oak's. My condolences to Linda's family.

“ Linda helped plan and coordinate our wedding. Tammy and I first met her in 1992. Our Italian heritage made us all instant buddies. Her cooking was fantastic especially her chocolate chip pound cake. We could never duplicate it for whatever reason. Linda has always been in our thoughts and will forever be remembered. Rest in Peace. Love Peter and Tammy Chiodo
