“ Lucy had the kindest most generous heart. She and I worked as respiratory therapists together at CDH. We laughed together, had fun with her kids at the lake, BBQd together, she and her family would hang out with me and my parents, and she fed me spicy Hispanic foods and then laugh at me when I couldn't take the spicy. She and I became fast friends and she takes a piece of my heart with her. Lucia you were loved! Rest In Peace now sweetheart, your struggle is done. And have a tamale and a big hug waiting for me Chica when I get there!

“ *Lucia and I worked at CDH for many years together. Our boys were around the same age. I don't think there was a day that we worked together that she did not talk about her boys with a smile. We often shared stories and laughed together about the shenanigans that our boys did. She loved her boys so much. Working with Lucia was a pleasure. She cared for her patients and coworkers as if they were like family. Lucia will be missed deeply.*
